

## Community Sponsorship Application

Delta-Montrose Electric Association and Elevate Internet are proud to support the communities we serve through our Community Sponsorship Program. Our sponsorship funds are used to build awareness of DMEA and Elevate in our local communities while supporting worthwhile events and organizations. To be eligible for funding, your event must support education, economic development, community investment/enrichment, or arts/culture. Funds will not be given to individuals, political causes/organizations, or religious causes/organizations. ***This is not a charitable donation fund. If your organization is looking for a charitable donation, please apply to DMEA's Operation Round Up program.***

Return completed form to [communications@dmea.com](mailto:communications@dmea.com).

**OR mail to: DMEA/Elevate, Attention Community Sponsorships, P.O. Box 910, Montrose, CO 81402**
